Santos Ontiveros 80,
May 28, 1939 - April 18, 2020
Rock Island, Washington

Longtime resident, Santos Ontiveros, passed away on April 18, 2020, after an extended illness. Santos was born in Durango Mexico, to Francisco and Bernadita Ontiveros. There he met Reyna Molina and together they share four daughters and four sons. Our father, Santos, was a free spirit, even in life. He appreciated lazy days, cooking, and spending time with friends and family. His last year he really fought to get better: he underwent surgeries to help extend his life and his children couldn't be prouder of all his efforts. In his final days, his children prayed for him to have a peaceful passing and with God's grace that was granted. His children know he went in peace and was ready to meet our Lord Savior.

Santos is survived by his eight children, twenty-four grandchildren and eight great-grandchildren. Daughter: Lupe Ontiveros (grandchildren: Jessenia, Joel). Son: Larry Ontiveros (Marya; grandchildren: Michael, Vanessa, Brianna). Son: Isidoro Ontiveros (Denise; grandchildren: Francisco, Selena, Lain, Eli, Elise and baby girl to be born June 2020), Daughter: Maria Bernardita Ontiveros (Sergio; grandchildren: Natalie, Kimberly, Ellie, Lily). Daughter: Marisela Ontiveros (grandchildren: Lucio, Eddie, Justin). Daughter:

Reina Ontiveros (grandchildren: Elias, Nevaeh, Elijah). Son: Jaime Ontiveros (Crystal; grandchildren: Jaime Jr., Izik). Son: Javier Ontiveros (Mari; grandson: Javier Santos to be born August 2020). Great-grandchildren: Tevin, Skye, Ezra, Zeke, Dominic, Layla, Josiah, Benjamin. Santos was preceded in death by his parents and beloved grandson Michael Ontiveros.

His family wish to thank the caring staff at Confluence Health, Dr. Lundgren, Dr. Child and Dr. Carpenter. As well as the staff at Columbia View Terrace, with a special thanks to his daughter-in-law, Marya, who worked there as his primary caregiver and cared for him so deeply.

In respect of the current health restrictions, a private viewing and burial will be held. A Celebration of Santos' life will be held at a later date.

“ *I have clear memories of Santos and Reyna, and your family, when Santos worked for my husband, Jerry, at Van Winkle Orchards, in the 1980s. I am so sorry for your loss. I do remember Santos as a free spirit- and I hope that your fond memories bring you comfort.*

With deepest sympathy,
