“ My Folks Lynn and Judy Ingraham had property above Scott on Sky Meadows in Cashmere. I was just a youngster when we moved up on the mountain. Scott knew my dream was to become a famous barrel racer. Well actually never happened but he would help me set up barrels in his driveway and saddle up his horse and say go getter kid! Always had a smile (or a real look) but I will always remember his kindness to me. Prayer to your family Scott! Been a little since I had seen you but we would always give a big hug. You would always ask about my Dad and Mom! Love ya Scott! See ya on the flip side! Please have those barrels in place! I'm ready! ❤️
