“ *Shane was my love and my light. He is still in my phone as 'Shane Sunshine Eyes' because thats how he looked at me. He was the kindest, most honest, generous person I have ever met. I had hoped to share a life with him. His time was too short. I am so very grateful to have had all the adventures and experiences I did with him. Not enough. Never enough. Being with him made me a kinder more open person, and I will always always love him.*
