“ We have known Sharon and Harry for many years. First as customers of our internet service business and later as friends. We have always thought of, Sharon and Harry as a team and always will. They are amazing people; outgoing, friendly and caring, adventurous and most of all, just good people.

To us, Sharon was one of those larger than life people who sparked the imagination and made you think beyond what you thought possible. She was also an artist creating extraordinary quilts and complex drawn thread embroidery.

We are blessed to have been able to share some time with Sharon. She will be missed greatly.

With deepest sympathy,
Stan & Jane Peak
