Sharon Lee Little

1948 - 2023

Sharon Lee Little, of East Wenatchee, passed away on September 23, 2023, at Central Washington Hospital. Jesus called her home while surrounded by her loved ones.

Sharon was born on January 26, 1948, in Wenatchee, Washington. Sharon married the love of her life Tom at the age of 16, with them recently celebrating 59 years of marriage. They built a beautiful life together here in the Wenatchee valley and "home" was a place that everyone was welcome. Along with raising her own children, she loved and cared for many foster children, with their first being Kira Jensen. Whom is still a very big part of the family. Sharon was passionate about making memories for her family and was immensely proud of them.

Holidays were some of her favorite times and you could count on her to go above and beyond to make everyone feel special. She was an avid lover of cooking, camping, fishing, and any activity that allowed her to spend time with her family. Every summer, for the last 8 years, you could find Tom and Sharon on their claim (named after her: Tede1) up Blewett Pass, and it was by far her "happy place." She invited anyone who would come and that always included

a meal and a laugh. The joy that radiated from Sharon was a light that touched everyone who knew her. We will miss her so much, but we find peace in knowing that she is in the arms of Jesus.

Sharon is survived by her husband Tom Little; daughter Tammy Smith and her husband Ron; son Shawn Little and his wife Wendy; daughter Lisa Collins and her husband Geof; son Levi Little; grandchildren Blake and wife Laura, Elly, Kaylen, Melia, and Anna; great grandchildren Rowan and Logan; and many other close family and friends.

Sharon is preceded in death by her parents Glen Hipsher and Violet Hughes; and her siblings Shirley Galloway, Glen Hipsher and James Hipsher.

A Memorial Service for Sharon will be held on October 21, 2023, at 12:00pm at Sage Hills Church, 1601 Fifth St, Wenatchee, WA. Following the service, there will be a reception at the church.

“ Sharon I haven't seen you for years but I am heartbroken for Tom and your beautiful family. You were an 'extremely wealthy' woman when it came to family. (Your and Tom's doing, for sure.) I remember, now a lifetime ago, when you were at my house and were bubbling over about the cute guy you just met (Tom). You and I spent much time together when young and there was NOTHING you ever hid from me during those years. (Absolutely nothing! Books could've been written! 😭). Many memories, to many, to long, and to personal, for here. You loved your family deeply. You are now with other family members you loved deeply, and missed. You, Tom, your children and all of theirs will ALL be together again. In just a couple of minutes (your time). Maybe seemingly a little longer for them. Your impact was mighty, Sharon. The story isn't over. It's actually just now really getting started! I will see you soon.
