“ *May God bless and comfort all of you as you mourn Sharon's passing. We are glad to have known her, even just a bit, through the fire dept. events. She always had a sweet smile, and a kind word. Sharon was fun to talk to, as well. We are sorry for the pain of loss that you have to go through, but glad, with you, that Sharon is free now. We will continue to pray for you all.*

“ *I loved working with Sharon at the Health District years ago. She was always so kind and happy to see everyone, as sweet and gentle as they came. Her face lit up when Cary came to pick her up for lunch or after work. I am so happy, Cary, you found her and she you. I know she loved her boys and your devotion and kindness as a family is humbling .*

“ *Cary, you are a wonderful example of a true husband. You have shared your hearts so others may learn. You have been devoted daily to Sharon and by her side during this journey. May God hold you tight and give you comfort as you and your family miss Sharon daily.*
