“ *Susan Rest In Peace sister.
You took me home from school when I was a homeless teenager
and let me be a part of your family. We have been through pretty
much everything together.
I have heard there are no more tears in heaven. I hope it's true for
you.
Love you*

“ *I adored Susan. She was always so real! I think that she was one of
the most honest individuals I have been around. She was always so
funny she would always make me laugh. Susan was courageous,
when she put her mind to something she would definitely go after it.
Even when she was she could still be funny. This just saddens me. I
am going to miss her tremendously.*

“ *I'm so sorry, I can't believe that you're really gone. Everytime I saw
you, you always had a smile and a hug for me. Even though we
didn't see each other very often, I never forgot about you.
Rest in peace Susan and take care of the family that was waiting in
heaven for you.
With love, your cousin Linda*
