“*Tedra, sweetie my heart is so broken that you left us so early. Your beautiful smile will always be in my heart. Sharmon and I were sharing memories about the two of you always being together when you were growing up. The two of you would tie your socks together, try and walk, fall down and laugh so hard and do it again. You two were the best of friends. I love you Tedra and will forever miss you Aunt Laurie Evenhus.*

“*Tedra we remember you as a carefree little girl always smiling with no worries in the world. We remember that when you smiled your whole face would light up. When laughed it would come all the ways from your toes, so cute. Remember when we would call you Tater Tot and you would giggle, sometimes you would get mad and tell us your name was Tedra not Tater Tot. We know you are at peace and you will be forever missed. We love you Aunt Rhonda, Uncle Gene and Cousin Corey.*
