“ To the Family of Terri - I wish Terri was here today to tell me what she was thinking about. I just found out about her passing this morning from a common friend. Each time I ever saw her I enjoyed her sense of humor. She always told me everything, sometimes even things that shocked me. Of course, she did it on purpose. She and her brother Fred have always been a lot of fun. I will miss her.

“ I'm going to miss Terry, she was a dear sweet friend to me. We had a lot in common. Guess I won't be saving a seat for her anymore in church.

*I'm asking Jesus to tell you Terry, I love you! Save a spot for me up there!*

“ We are so very sorry to hear Teresa has left all of us here on earth. We were neighbors of her's and Dennis for over 12 years and she was so full of life. We moved early this year and I can still hear her laughter. May you all be blessed with her wonderful memories.

“ To my beautiful sister, with the most infectious smile and joy that brightened every room, that touched everyone in your presence. You were our joy, and our refuge. We will miss you on this planet. But I will continue to enjoy you on all the levels of eternity. We will never leave each other, birth, death and rebirth. We will always be together in our hearts and minds, and still moments in time. You are my sister. Thank you for all the years of loving me...

“ To Terry's Family, I am very saddened to hear of Terry's passing. Terry and I were such good friends in high school. We hung out together all the time, did a lot of shopping, went to movies, made each other laugh. She was always a very thoughtful and giving person. Our friendship made those years even more enjoyable! I'm glad I will always have those memories.
