

Terri Lynn Jump

June 2, 1962 - July 18, 2024

Terri Lynn Jump, 62, passed away on July 18, 2024, in Entiat, Washington. The youngest of six siblings, she was born on June 2, 1962, in Danville, Indiana, to William and Julianne Jump.

After graduating from Zionsville Community High School in 1980, Terri joined the California Conservation Corps in Yountville, California, then later the Young Adult Conservation Corps in Lake Tahoe, California. Terri held various positions while working for the USFS, including working on a fire crew, working in the maintenance crew interpretation program, and working in the timber department. In addition to California, she also lived and worked in Montana and Washington.

Terri loved nature, spending time with her family and friends, and going on walks with her dogs, Buddy and Jocko. She also enjoyed listening to bluegrass music, playing euchre, working crossword puzzles, and baking pies.

Terri was preceded in death by her parents, William and Julianne Jump, and

her sister-in-law, Diana Jump. Survivors include siblings Rhonda (Chuck) Hibbert, Connie Jump, Rebecca Warner, Cynthia Languell, and William Jump III; nephews Mitchell (Markeeta) Languell, Justin (Stephanie) Jump, William Jump IV, and Brittian (Kassi) Warner; niece Jessica Riedel; and several great-nieces, great-nephews, cousins, and dear friends.

“Forty four years of friendship I miss this beautiful soul tremendously.. So many memories..hitchhiking from LA to Lake Tahoe, camping along the Carson River barbecues and horseshoes baking pies singing at the top of our lungs during road trips. Laughing so hard we thought we pee our pants (that happened during our older years 🤪😭🤪) Working on the maintenance crew was always an adventure! Never a dull moment.. I'll see you on the other side my friend one day and like always you will be there for me like you always have been.. I love and miss you so much Terri Ber♥♥♥♥♥♥♥♥♥♥

“ We are so sorry for the loss of Terri. What a good person! She spearheaded a great many events for employee celebrations at Lake Wenatchee Ranger District and Wenatchee River Ranger District. She was incredible in her search for accurate information for the public. Her thoughtfulness and caring for the Forest Service and employees is something we cherish about her. After retirement, it was so good to have a call or see her in person. We laughed. We send our deep sympathy, especially to her family back home, knowing how much she cared for each of them. Sincerely, Heather and Patrick Murphy

“ As a member of the board for the Columbia Breaks Fire Interpretive Center at Entiat, WA I wish to add my condolences to Terri's family-- her passing seems so sudden. We want you to know that Terri will always be remembered by CBFIC in a special way for her donation of over 300 pieces of her Smokey Bear collection in 2021. She said she was tired of dusting it all, and she was happy we wanted to have it. Her collection has been on display since 2021 and is being enjoyed by all who visit. Her name, as the donor, will live on because of this gift. We want you all to know how much we have appreciated her generosity. I believe she brought her sister Connie to see the display.
Most Sincerely, Maggie Bailey
