

Terry Bruce Jackson

July 20, 1955 - October 9, 2021

Terry Bruce Jackson was born on July 20, 1955 in Biloxi, Mississippi to Bud and Bonnie (Anderson) Jackson, while Bud was serving in the Air Force. He passed away on October 9, 2021, with his mom by his side, from complications from a fall.

In 1956, the family moved back to East Wenatchee, after Bud's service was finished. Terry has since spent the rest of his life in East Wenatchee. After graduation from Eastmont, Terry went to work for Pybus Steel and became a Journeyman Welder.

When Terry was 22 years old, he was involved in a serious car accident, which caused him to be unable to continue his welding career. From that time on, he helped his parents with the family cherry orchard, for many years. For the last ten years, Terry has resided at Kadie Glen Assisted Living.

He enjoyed sports, western movies and was a Great Pool Player.

Terry was preceded in death by father, Bud Jackson; brother, Mark Jackson; Paternal grandparents, Wes and Bethel Jackson and his Maternal grandparents, Bill and Hazel Anderson. He is survived by his mother, Bonnie J. Jackson, East Wenatchee; sister-in-law, Karen Jackson, Lincoln, WA; nephew, Storm & his wife Jenn Jackson, Glasgow, MT; his niece, Catrina & her husband Preston Sillito, East Wenatchee and a number of great nieces and nephews.

We wish to thank the staff for their care of our son, for they were like family. We would also like to thank Hospice for their compassion these past few

months.

A Family Gathering to Celebrate Terry will be held at a later date. You are invited to visit his tribute online and share a memory for the family at www.HeritageMemorialChapel@msn.com .

“ Unbelievable. and there's no way, that I could see, to check what it's going to look like before you post it. Maybe I'll try again, maybe not. You're just gonna have to turn it sideways.

“ I finally found a picture of Terry! It's a crappy one but we carried more guns than cameras. No cell phones then. This is probably spring of '73. Always the three of us with at least that many guns! That's Jim Haney on the left and Terry above Ancient Lake looking NW. Always good times. We were never arrested. I don't know if that's a testimony to our wits or the lack of law enforcement but we had a lot of fun that would not be considered 'acceptable' today!

“ Dear Bonnie,

With so many using only cell phones, your address isn't in the phone book, so I am using this means to express my sincere sympathy to you in the loss of your son, Terry. Haven't seen you (such as at the grocery store) in quite awhile, but I do think of you and am sorry about this sad time for you. Since the Covid virus shut gatherings down, our monthly Soroptimist dinner group has met only once and that was in September to say farewell to Geneva who is selling her home and moving to Idaho. Again, Bonnie, as I offer you my deepest sympathy to you, I wish you God's Love and Comfort to help you.
