

Thelma Maxwell Hall

December 12, 1930 - December 24, 2012

Thelma "Tillie" Hall was a traveler at heart. She loved discovering new places and making friends along the way. Tillie enjoyed her daily crosswords and watching "Doc Martin" on channel 9. She also loved animals and had a cat named "Lilly" that she adored. She will continue her love of animals by donating to the Lions club for the purpose of seeing eye dogs for individuals that need them.

Just listening to all her childhood stories and experiences could fill a library. She was a hard worker and learned many different trades, from serving in the military to serving beer at a local pub. She also enjoyed feeding the birds and watching her flowers bloom.

She just recently celebrated a special birthday on 12-12-12. She ate her favorite food (Chinese), went shopping and enjoyed seeing all the beautiful Christmas lights. She wasn't afraid to tell you like it was and would, so that others could learn from her mistakes.

Heaven got another angel on December 24th, 2012. We will miss you Tillie!

What you've done becomes the judge of what you're going to do - especially in other people's minds. When you're traveling, you are what you are right there and then. People don't have your past to hold against you. No yesterdays on the road. ~William Least Heat Moon, Blue Highways

“ *Tillie was a very special friend of 20 years. I always enjoyed her many stories from her travels around the world...there was always an adventure!*
I'm sorry that we weren't as close in the past few years, but she will forever be in my heart. I will never forget her or the many fond memories that I will forever cherish. RIP Tillie. <3
