

## Thomas "Tom" Lyons

January 16, 1947 - December 13, 2023

Thomas M. Lyons

01/16/1947 – 12/13/2023

Tom entered life with a smile and love of people to parents Charles and Frances Lyons. He was instilled with hard work ethics and an appreciation for the values of life, love, and friendships. Tom retired as a mechanic/millwright from ALCOA after 41 years. He enjoyed seeing fellow workers to swap stories, medical issues, and new jokes. Tom married Debra Paronto in Las Vegas in 1978 and honeymooned on a raft trip down the Colorado River. That experience and his trip to Thailand with Jim McCallum were treasured times often shared.

Tom leaves his wife, Deb, of 45 years; sons Jim and Ron; grandchildren Tracie and Kaitlin Miland, Alec, Jacob, Jeremiah, Jordan, and Jaden Lyons; and great-granddaughters Zoe and Penelope. Also, his beloved pups Max and Molly. Tom leaves many dear friends and lost too many cherished ones.

After 25 years, Tom got to know and appreciate the cardiology unit at the hospital, especially Dr. Joel Rhyner, Dr. Rachel Lundgren, and RN Danielle, an angel to both Tom and Deb.

Tom loved the Oregon Coast and crabbing. Spending time with Deb's

brothers, Dennis, Robbie, and the boys added joy and new stories to share. He wanted to retire there someday. May Tom be enjoying that peacefulness now.

Tom requested no services.

Please feel free to visit his tribute page at [www.HeritageMemorialChapel.com](http://www.HeritageMemorialChapel.com). Arrangements are in the care of Heritage Memorial Chapel East Wenatchee and Cashmere.

“ I knew Tom and Deb as their insurance agent for many years. I thought Tom was the nicest man, very cordial and fun to talk too. So sorry to learn about his passing. My regards to Deb and all the family.
