“ Tina's family: I'm so sorry for your loss. I went through a similar situation and I was very helped by the hope that I found in the Bible in John 5:28, which says, "Do not amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out". I am sending you a link with more information on this hope.

“ I picked up the phone and called you today just like the past 3 days. This is the hardest thing I have ever done. I just don't know how to stop crying when I think of you. I love you so much, but I know you are not hurting anymore. You and Mom nd Brian are flying angels now. You were always giving to anyone that needed it. Shawn and I will miss you not being with us on our yearly trips to Waitsburg and our trip to Seaside. I will walk the beach and write your name in the sand. Love you Tina

“ There are no words to express how sorry I am to hear about the loss of such a wonderful and funny person. I have so many fond memories of growing up with Tina and Shawn. I can remember Leitha and I meeting Tina and Shawn every morning at Lincoln grocery and walking to school. We had so many good times and shared so many laughs. She will be missed and my condolences to her entire family especially Shawn, there were never two sisters closer than you and Tina.

You will all be in my prayers
