“ Dear Janet, Kids & grandkids. We are extremely sorry to hear of Bill's passing. He was a remarkable man of genuine character. He led a full life that was shared by love of his family. He was so proud of his kids and grandkids. A hard worker, A world traveler, A professional golfer. He enjoyed the company of the younger generations. A Big kid at heart. He'd be quick to take your quarter if you missed a putt in a skins game. He'd spent countless hours at the range perfecting his craft. His foursome will be one less, his presents will be missed but not forgotten! Until we meet again. God Bless

“ Dear Janet, Steve, Beth, Camille, Marcelle and Craig. Our most heartfelt sympathies are with you all during this most difficult time. We will always cherish the wonderful memories we have of Bill. Tony remembers once when him and Steve would go golfing with Bill and how he always called Steve a nucklehead, cause of the great shots Steve made. I remember his great sense of humor and how he loved to tease his kids and grandkids, and what a great smile. We are so very thankful for the fun and laughter he gave us. Hold tight to memories for comfort, lean on your friends and family for strength and always remember how much he cared and loved you all. We love you and are thinking of you.

“ Janet, Camille, Steve, Marcelle, Craig: I wish I would have told Bill a long time ago how much I admired him. I never did and I wish I had now. He was so nice to me. Always treated me good and always welcomed me in your home. I am so proud that I got to know him for the 4 years of my life at a very young age. I was so sad to see his passing. He touched many peoples lives and he will be missed. I do not have to tell you this but your dad was one of the greatest men I have ever met.
